

With **ALTOP™** streamline your work

Save money

No need to buy and maintain a separate regulator - regular checks by Air Liquide.

Work safely

Emergency cut-off –
Protected valve –
No more exposure to high pressure gas flow.

Save time

Ready to use due to the built-in regulator and on/off lever - quick connect available for Ar/Ar mix.

Save gas

No gas loss thanks to the on/off lever - check content at a glance with the permanent pressure gauge.
